

HP Color LaserJet 3600n vs. Samsung, OKI, Lexmark and Konica-Minolta

Consider the amount of toner included with the printer to get a true picture of value.

Street price of printer plus toner to print 4,000 color (CMY) and 6,000 black pages

- printer street price
 - street price of extra toner required

NOTES: The HP Color LaserJet 3600n ships with 4000 CMY pages worth of CMY toner and 6000 black pages. The Samsung ships with 2000 CMYK pages of toner. The OKI ships with 3000 CMYK pages of toner. The Lexmark ships with 1500 CMYK pages of toner. The Konica Minolta ships with 3000 CMYK pages of toner. Prices are based on vendors websites, using Standard cartridges (Prebate for Lexmark). Samsung extra toner values are estimates because their supplies pricing was not available yet.
